Review of ROS Communication

- **Publish/Subscribe** - best for sharing streaming data
- **Services** - remote procedure calls, send a request, wait for result

Review of ROS Communication

- **Publish/Subscribe** - best for sharing streaming data
- **Services** - remote procedure calls, send a request, wait for result
- Sometimes we want to request a long-running service, then get on with things, potentially cancelling the request later:
 - **actionlib**
 - <http://wiki.ros.org/actionlib> ↗
